MORENCI MS/HS ANNUAL EDUCATION REPORT (AER) COVER LETTER

April 14th, 2016

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2014-2015 educational progress for the Morenci Middle/High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact Principal Kim Irish for assistance.

The AER is available for you to review electronically by visiting the following web site www.morencibulldogs.org or you may review a copy in the principal's office at your child's school.

Morenci Middle and High School had identified key challenges through the comprehensive needs assessment. Morenci has a large population of free and reduced lunch students indicating a large percentage of economically disadvantaged students. This is our lowest performing group in almost all subject areas. The district has hired a reading and math specialist and has extended free tutoring to before and after school for all students to help close this gap. We did see tremendous gains from the previous year but we do still work to do for these students. Additionally the data indicates our top end students are not being challenged so the district has trained staff in differentiation techniques in order to meet the needs of all the levels of learners.

PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

Morenci Middle/High School accepts all students in good standing from within the district and as school of choice students. Non-resident students, wishing to enroll, may pick up an application for School of Choice from the MS/HS Office.

STATUS SCHOOL IMPROVEMENT PLAN

The school improvement plan at Morenci High School is aimed at increasing student proficiency on the Michigan Merit Examination. This plan is constantly being evaluated and revised as needed.

2014-2015 SPECIALIZED SCHOOLS ANNUAL REPORT

The students Morenci Area Schools receive special education services through the Lenawee Intermediate School District (LISD). In addition to the specialized schools, students receive diagnostic testing, school psychology, school social work, physical and occupational therapy, career technical education, special needs training and speech pathology services.

The Lenawee Intermediate School District provides educational services to students from birth through age 26 who have severe handicaps. Students with severe physical, mental, emotional or sensory impairments may receive their educational program at a classroom operated by the LISD. Students from Morenci Area Schools attended LISD classroom programs during the 2014-15 school year.

The LISD operates the Laura Haviland Program for elementary, middle and high school students with severe emotional and behavioral impairments.

In cooperation with the Lenawee County Probate Court, the LISD operates the juvenile education program housed at the Maurice Spear Campus.

LISD operates special education classrooms in local districts including classrooms for students with physical impairments or other health impairments at Adrian 7/8 and hearing impairments in Madison. Classrooms for students with cognitive impairments are located in Tecumseh and Adrian.

The LISD PREP Academy provides educational programs for teen parents from Lenawee County. During the student's instructional program, childcare support is provided. .

The LISD TECH Center offers career technical education programs for high school sophomores, juniors and seniors. 66 students from Morenci Area Schools attended the LISD TECH Center or participated in the co-op/work experience program during 2015-16. This equals 57% of the junior and senior population for this school district.

The most recent follow-up of LISD TECH Center students (a 2015 study of 2014 graduates) showed 70.1% were continuing their education. Of those continuing their education, 71.3% were continuing in a field related to their LISD TECH Center program. In addition, 72.0% were working (full-time or part-time) with 7.6% reporting they were seeking employment.

Local districts operate special education classrooms open to students from other districts. Morenci Area Schools placed students with Addison Public Schools level II classroom during the 2014-15 school year.

CORE CURRICULUM

IN 2014-2015 the middle and high school curriculum is based on Michigan Merit Curriculum, High School Content Expectations, Grade Level Content Expectations, and well as, the Common Core Standards and Benchmarks. Work was started last year on vertical and horizontal alignment of curriculum and this work will continue through the next year.

AGGREGATE STUDENT ACHIEVEMENT

NWEA individual scores are available for your student in the main office. PLAN and EXPLORE results are for the years 2013-2014 and 2014-2015 are available upon request with the counselor.

PARENT-TEACHER CONFERENCES

The table below shows the percentage of students represented by parents at parent-teacher conferences over the past two years.

P/T Attendance	<u>2013-2014</u>	<u>2014-2015</u>
Fall Conferences	69.5%	58.0%
Spring Conferences	62.5%	65.0%

POSTSECONDARY ENROLLMENTS (OR DUAL ENROLLMENTS): The following table displays the number of postsecondary student enrollments.

Post-Secondary Enrollment	<u>2013-2014</u>	<u>2014-2015</u>
Number of Post Secondary Enrollments	4	3

COLLEGE EQUIVALENT COURSES (OR AP CLASSES): The following table displays the number of College Equivalent courses that are offered at Morenci High School, the percentage of students enrolled in those courses, and the number of student who received a score leading to college credit.

College Equivalent Courses	<u>2013-2014</u>	<u>2014-2015</u>
Number of Courses Offered	1	1
Enrollment %	10%	9%
Number of Student Receiving College Credit	1	4

Morenci Middle School

The beautiful Morenci Middle School was constructed in 2004 and features two science labs, a 50+ seat computer lab, a full-court gymnasium and 20 comfortable classrooms. With funding from a community-supported technology bond, all MMS students (grades 6-8) are provided with a Google Chromebook for use in and outside of the classroom.

Morenci students appreciate the clean, orderly atmosphere of the building and the fun, friendly attitude of the teachers and staff. To many, the tight-knit community of the school feels like a family where "everyone looks out for each other."

A unique feature of Morenci's middle school system is the hybrid 5th grade. Fifth grade classrooms are located in the middle school, but they function largely as self-contained elementary classrooms. Students use lockers and move between a few classrooms, but mostly they enjoy the comfort and security of self-containment. With this model, the transition between elementary school and middle school is more seamless and less stressful for young students.

In addition to a full schedule of core classes, Morenci Middle School offers electives in art, band, physical education, and project-based learning. Project Lead the Way (pre-engineering) classes are offered to students beginning in 5th grade. This project-based program utilizes principles of math, science, art, communication, and teamwork, giving students a feel for real-life problem solving and project completion. The PLTW classroom also features a 3-D printer.

Morenci Area Schools

<http://www.morenci.k12.mi.us/>

For those looking for extra-curricular involvement, three seasons of middle school sports competition are available for boys and girls, including cross country, football, volleyball, competitive cheer, basketball, and track. Students may also join organizations such as Student Council, Engineering Club and Fellowship of Christian Athletes.

Morenci Middle School provides a safe, nurturing environment for students to grow and develop into young adults with a sense of Bulldog Pride.

Morenci High School

One team. One town. One family. This phrase, originally painted on an MHS spirit banner, has become a motto for the entire school. MHS students love the supportive atmosphere of the school and community, knowing that "when it comes down to it, people of Morenci will do anything for each other."

Bulldogs are proud of their "through the roof" school spirit, which comes from learning, growing, and working together as a team. With only 200 students, the high school functions as an extended family. Teachers and staff know and care about every student, and the students care about one another. They take pride in one another's accomplishments and push each other to succeed on and off the field.

Through the years Morenci has been home to award-winning musicians, artists, scholars and athletes. In addition to a full curriculum of core classes, MHS supports special interests through its themed art curriculum, yearbook, and concert, marching and jazz band. To support those students interested in a future in one of the STEM fields, MHS offers Project Lead the Way classes in both traditional engineering and biomedical engineering. Many upperclassmen take advantage of specialized training through the LISD TECH Center with offerings ranging from robotics to agriculture. Others challenge themselves with advanced coursework at MHS (AP and Honors) or dual enroll through a local college.

Non-traditional students may find a good fit with Morenci's Alternative Education program which is a flexible, online program featuring classes through the Gradpoint (Pearson's) system. Traditional students may also be eligible to take online courses to recover credit, explore electives or even earn college credit. All students have immediate access to technology in every classroom through a 1:1 Google Chromebook initiative.

Students hoping to get involved have a wide range of clubs and organizations to choose from including Volunteer Club, Math and Science Club, Green Earth Club (GECKOS), Culture Club, Art Club and Fellowship of Christian Athletes. Qualifying upperclassmen may choose to join National Honor Society and those looking for leadership experience may find it with Student Council.

Bulldog athletes can stay busy all year with highly successful sports teams including cross country (State qualifier '14-'15), football (Regional Champions '14-'15), volleyball, basketball (State Runners-up '14-'15), track (State Qualifiers '14-'15), baseball, softball (State Quarterfinal Qualifiers '14-'15) golf (State Qualifier '14-'15) and competitive cheerleading.

With so much to offer, it's easy to understand why students feel their Bulldog Pride sets them apart. I welcome your input, ideas and suggestions on how we can improve. Input from students, parents and the community regarding curriculum, art and music education, and athletics is essential to ensure that we are providing students with the best educational experience possible. Feel free to call or e-mail, to set up an appointment, if you have any ideas or suggestions for continuing success.

Sincerely,

Kimberly Irish
Morenci MS/HS Principal
