Dear Parents and Students:

I know many of you are beginning to explore career options for your student and I'm writing to let you know about an event that will help you with that process. CareerCon is happening on March 24, 2020, at 6:30pm at the Adrian High School Performing Arts Center. Parents and students who are interested in learning more about career paths are encouraged to attend.

The informative and motivational conversation with career expert Chris Czarnik will teach you how to discover the right types of careers for your student's unique personality. You will also have a chance to learn more about the educational and employment opportunities available to your student right here in Lenawee County. Enclosed you will find the flyer for the event with additional information. You can also visit LenaweeNow.org/CareerCon for more details.

I hope you will take advantage of this free opportunity.

Sincerely,

Michael L. McAran
Superintendent
Morenci Area Schools

Kimberly Irish
Middle/High School Principal
WHAT DO YOU WANT TO DO AFTER YOU GRADUATE?

College? Military? Skilled Trades? Mom’s Basement? The options seem endless (but that last one is probably not the best one.) What if there was a better way to figure out the answer to that question that all students get asked? At this event you will:

- Receive a free step-by-step guide to help discover your ideal career path.
- Talk to employers about on-the-job training, apprenticeships, tuition reimbursements, and job opportunities available before and after graduation.
